FACULTY

H. L. McKenney, B. S. A. B.

Superintendent

Valparaiso University
Wisconsin University
Indiana University

Mr. McKenney's high ideals and efforts for the success of the school have raised him to high respect in the eyes of the students. All contests, both athletic and scholastic, owe much of their success to his advice and criticism.

E. F. Fribley, A. B.

Principal

DePauw University
Columbia University

Much of the success of the Follies is due to Mr. Fribley's help. First period each morning is given over to "reporting" in the office. Mr. Fribley always meets us.

Vera M. Walter

Clerk

A. H. S. '22

Vera is always at her post to give any information or favors at any time. She surely has proved herself worthy of the position of clerk of A. H. S. We could hardly do without her.

ENGLISH

Marion Thrush Weathers, A. B.

English

DePauw University
Columbia University

How names do change! However, English classes are continued the same. The Chatterbox would be lost without Mrs. Weathers to manage it.

Dorothy Diehl, A. B.

English and Public Speaking

Albion College
Kalamazoo Normal
School of Speech, Northwestern University

Miss Diehl with the aid of her Public Speaking class has become the official entertainer for almost any occasion. Freshman and Sophomore English classes sound very interesting.

LATIN

Maude S. Armstrong

Latin

Michigan State Normal
Syracuse University

Miss Armstrong has helped many students of A. H. S. to win laurels in the battles against Caesar. She is a loyal fan and supporter of athletics in Auburn High School.

HISTORY

Frank W. Weathers, A. B.

History

DePauw University
Muncie Normal
Chicago University

His concrete illustrations are famous. What would the Senior class do without Mr. Weathers to guide its wandering footsteps? He has been our advisor for two years and we appreciate what he has done for the class.

Ruth Anne Faulke, **A**. B.

History and Commercial

Earlham College

Miss Faulke is a new teacher this year. She has become noted by having charge of the assemblies from 8 until 8:30 and from 12:45 until 1 o'clock.

Ruth Anne Faulke.

MATHEMATICS

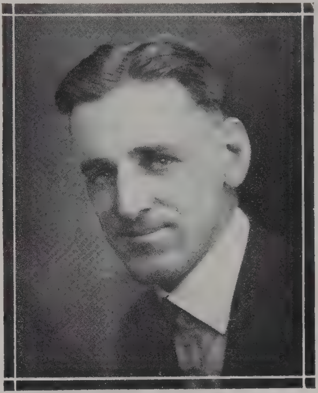
Dewey Sanders, A. B.

Mathematics

DePauw University

Dewey is known as "Admiral" around the halls. He has done much to make our basket ball squad the best possible by helping to shape the second team. He also coached the baseball team.

SCIENCE

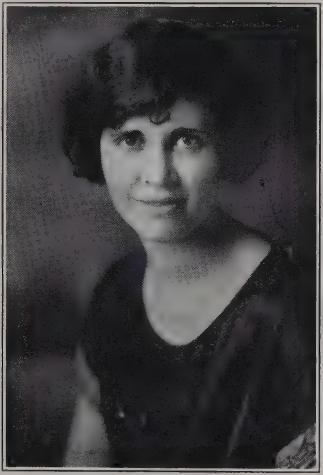


Robert S. Schooley, A. B.

Science

Indiana University

Mr. Schooley has helped to put the Athletic Association on its feet by acting as Watch Dog of the Treasury. The moving picture machine has often been used in his department.



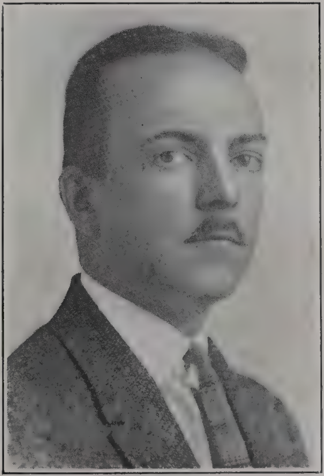
Emma Force, A. B.

Botany

Indiana University
Wisconsin University

We hear rumors that she intends to wander in strange countries when the warm winds blow. We have enjoyed her presence and she has helped the class of '28 get the right start in High School life.

COMMERCIAL



E. W. Gunther, B. C. S.

Commercial

Office Training School, Kenyon College
University of Pittsburg.

Mr. Gunther has proved to be an efficient instructor of the Commercial Department. He and his orchestra are very popular in A. H. S. His jokes and personal experiences are always interesting.

VOCATIONAL

Charles G. Hornaday, B. S. A.

Agriculture

Purdue University

Mr. Hornaday has done a great deal of work to bring the Agriculture Department of Auburn High School to its present high standing.

Bessie Viemont, B. S.

Vocational

Purdue University
Indiana University

Miss Viemont has charge of the sewing classes and puts on an excellent style-show each year.

J. Iris Tumey, B. S.

Vocational

Purdue University

We congratulate Miss Tumey on her success as a cooking teacher for A. H. S. The girls, under her instruction, served luncheon to the teachers the first semester. Everybody regretted that they must give way to the study of Dietetics the remainder of the year.

ART

Thelma Beelman

Art

Ohio Wesleyan University
Cleveland School of Art

Here is another member of the Faculty who will visit the lands across the pond this summer. All art work in the annual was done under her supervision.

MUSIC

Helen Gause

Music

Northwestern University

Under her direction all musical programs and contests have been well carried out. Also the operetta was a success.

MANUAL TRAINING

Isaac Cosper

The Wood Shop is a popular place about the time plays are given. The boys are given practical work which will always help them.

PHYSICAL EDUCATION

Cecil Young, A. B.

Another member of the Faculty is from DePauw. Martinsville, the town that makes basket ball players, is his home town. He has kept up the standard and shaped a good team for A. H. S.

Edith Lindley, A. B.

Physical Education

Earlham College
Indiana University

Miss Lindley has done excellent work and has made a winning team. She backs all the activities of the High School. We hope she will return next year.

RW
SENIORS

Senior Class Officers

Dale Walter **President**

"There was manhood's open brow
And the fiery heart of youth."

A. H. S. 1, 2, 3, 4. Pres. Class 1, 4. Hi-Y 1, 2, 3, 4. Radio Club 1. Representative Commercial Tournament 4. Chatterbox Staff 3, 4. Commercial Play 3. B. B. Squad 3, 4. Ft. B. 3, 4. Sales Manager Annual 4.

"Tubby" is an indispensable member of the class. He steered our course through the Freshman year making the trip very successfully. He also has done fine work as leader this year besides helping to establish the Athletic record of the Class of '25.

Carl Dennis **Vice President**

"None knew thee but to love thee
Nor named thee but to praise."

A. H. S. 1, 2, 3, 4. Vice Pres. 4. Hi-Y 1, 2, 3, 4. Pres. 3, 4. Operetta 3. Jr-Sr. Play 3. B. B. Squad 2. Ft. B. 3, 4. Annual Staff 4.

Carl has been either "Hiram" or "Rosie" to his friends. Many parties owe their success to his presence along with his harmonica. Athletics have claimed his attention along with running the Hi-Y creditably.

Helen Pollard **Treasurer**

"A girlie from the east she came,
The kind we want in our domain."

A. H. S. 1, 2, 3, 4. Class Treas. 4. History Club 3, 4. Commercial Club 4. Glee Club 4. Representative to Commercial Tournament 4. Vocational Club 1. Annual Staff 4. Music Memory 4.

Helen has helped '25 hold up its scholastic record and has been an important member of the different clubs to which she belonged. Senior finances have been exceedingly good.

Helen Shook **Secretary**

"A fun loving happy girl is she
I'm sure I've heard her mention 'he'."

A. H. S. 1, 2, 3, 4. Class Sec. 4. Commercial Club 4. Glee Club 1, 2, 3, 4. Operetta 1, 2, 3, 4. Annual Staff 4. Double Quartette 4.

"Shookie" is very musical and has been a great help to the Glee Club. Music of course is not her only hobby and all the activities of the class have been pushed by her.

Helen Long

Valedictorian

"*No one could beat her if they tried.*
Her A grades are known far and wide."

A. H. S. 1, 2, 3, 4. History Club 4. Vocational Club 1. Honor Student 3, 4. Representative to Commercial Tournament 4.

Helen's grades are the envy of every one in High School. She made such good ones that she really had no close competition.

Eulaun Brandon

"I had no time to hate because
The grave would hinder me."

A. H. S. 1, 2, 3, 4. Glee Club 1. Chatterbox Staff 3, 4. Operetta 1. Annual Staff 4.

Everybody likes Eulaun and she likes everybody. Angola has been the Mecca of all her wanderings for a few months but it seems to have done her good. Exchange and circulation of the Chatterbox show how good she is in managing.

Helen Brandon

"Helen's always there on time
Tho' she lives outside the city line."

A. H. S. 1, 2, 3, 4. Glee Club 1, 2, 3, 4. Commercial Club 4. Operetta 1, 2, 3, 4.

When any question is being discussed Helen always arrives with a "What?" Her presence and aid has helped the class in all its trials and tribulations.

Ethel Clark

"On her pallid cheek and forehead
Came a color and a light."

A. H. S. 1, 2, 3, 4. Vocational Club 1, 2, 3, 4.

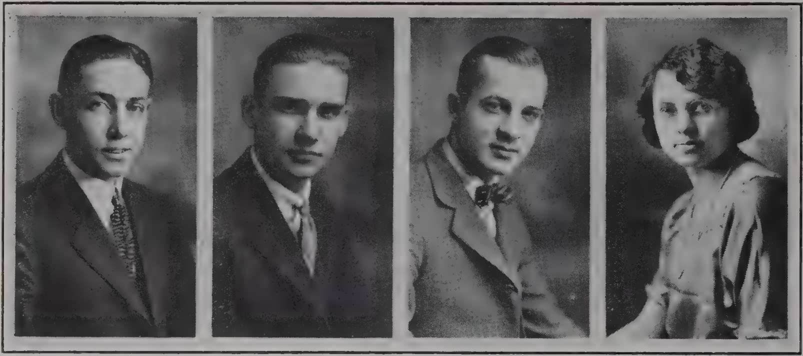
Here certainly is a good housekeeper and somebody will have great luck and good meals when they get her.

Dorothy Courtemanche

"Maybe to mean 'yes' and say 'no'
Comes natural to women."

A. H. S. 1, 2, 3, 4. History Club 3, 4. Commercial Club 4. Glee Club 1, 2, 3, 4. Operetta 1, 2, 3, 4. Double Quartette 4.

Anything she does will be just right. Having such a long name would seem to be a handicap to some people, yet Dorothy goes right ahead with a laugh and finishes what she has started. A loyal classmate whom we appreciate.



Maurice Close

"Poets to come! orators, singers, musicians to come!
Not today is to justify me and answer what I am for."

A. H. S. 1, 2, 3, 4. History Club 3, 4. Pres. 4. Hi-Y 4. Jr-Sr. Play 4. Annual Staff 4.

Maurice is there with the grades. The History Club has been well managed by him this last year.

Leo Dennis

" A steady soul that yields to rule
And quite ingenious, too, at school."

A. H. S. 1, 2, 3, 4. Hi-Y 1, 2, 3, 4. Operetta 3. 4.

Leo is another steady and dependable member of the class. Lately he has been very greatly interested elsewhere.

Francis Franz

"For a banjo player he sure is rare
And all his music we are glad to share."

A. H. S. 1, 2, 3, 4. Hi-Y 2. Radio Club 1. Chatterbox Staff 2, 3. Operetta 2. Commercial Play 3. Track 1, 2, 3. Ft. B. 2, 3. Cheer Leader 2, 3, 4.

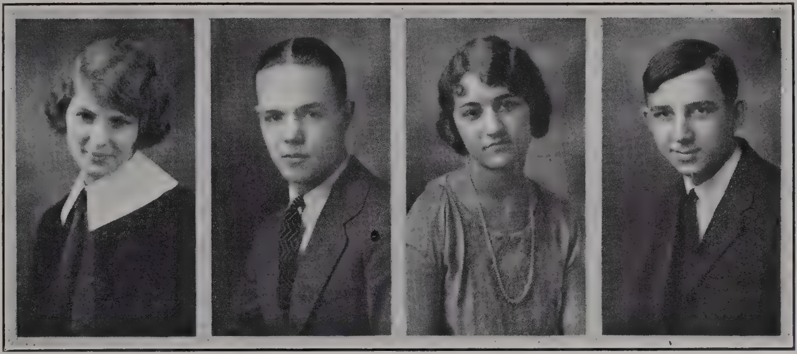
"Shinney" joined the ranks of '25 this year. He also took up the banjo and has become very proficient. In fact, since *The Leader* burned he has been earning his bread and butter that way. The Commercial orchestra owes something to him as its originator and banjo player. He is widely known through his reputation as a cheer leader.

Frances Dull

"Come! let mirth our hours employ
And tune our souls to joy!"

A. H. S. 1, 2, 3, 4. Vocational Club 1, 2, 3, 4.

Frances is the great culinary artist of A. H. S. as well as our dressmaker. Some Vocational Department will be glad to have her as a teacher.



LaRea Foote

"At last divine LaRea came
Inventress of the vocal fame."

A. H. S. 1, 2, 3, 4. Class Secretary 3. Glee Club 1, 2, 3, 4. Chatterbox 2, 3, 4. Operetta 1, 2, 3, 4. B. B. 1, 2, 3, 4. Sec. A. A. 4. Annual Staff 4.

Basket Ball without "Foote" is a dreary proposition. Many games owe their success to her dash and pep. She also has been very generous with her home for any activities of the class.

Cortland Frederick

"On the gridiron he's no fake,
And on him our all we'd stake."

A. H. S. 1, 2, 3, 4. Vice Pres. 3. History Club 4. Chatterbox Staff 3. Bus. Manager, Jr-Sr. Play 3. Track 2, 3, 4. Pres. A. A. 4. Orchestra 4. Annual Bus. Manager 4.

"Cort" helped the Class win in Basket Ball, Football, Track and any other athletic contest. He is able to perform creditably on the saxophone but can seldom be persuaded to do so.

Helen Grogg

"Helen never really hurries
And she never has the blues or worries."

A. H. S. 1, 2, 3, 4. Glee Club 1, 2, 3, 4. Operetta 1, 2, 3, 4.

Nothing ever flusters or bothers Helen but all things are met with a chuckle and laugh. She has been quite an old stand-by in the Glee Club.

Worth Freeman

"My heart leaped forth to hear him
Tell of struggles fierce and wild."

A. H. S. 1, 2, 3, 4. Vocational Club 1, 2, 3. Honor Student 3. Ft. B. 3, 4. Orchestra 4.

Worth is our big boy. His size helped him on the gridiron and he gave a good account of himself there. Class work has known him to some advantage to the general standing of the class.

Josephine Green

"She sleeps, nor dreams, but ever dwells,
A perfect form in perfect rest."

A. H. S. 1, 2, 3, 4. History Club 3, 4. Vocational Club 3, 4.

Any questions concerning County school affairs are asked of "Jo." She can generally answer them. The Vocational Department knows her best.

Edward Hinsey

"I am living, but thou art dead;
Thou drawest back, I strive ahead!"

A. H. S. 1, 2, 3, 4. Track 3.

Always ready to help the class in anything and especially in athletics.

Hazel Hook

"A perfect woman, nobly planned,
To warn, to comfort, and command."

A. H. S. 1, 2, 3, 4. Glee Club 1. Vocational Club 1. Operetta 1.

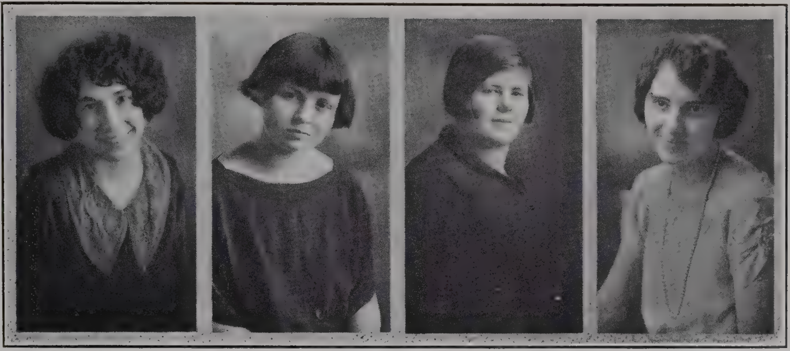
We are glad to have counted Hazel among our members. Although she was always busy, she was never too busy to do anything which needed doing.

Phyllis Hewitt

"Phyllis is for a chap in need
And surely any man would heed."

A. H. S. 3, 4.

Phyllis came to us last year from Corunna High School. What was their loss we know as our gain.



Frances Jellison

"Have you a stick of gum for me?
And there! I'm nearly late, Oh, Gee!"

A. H. S. 1, 2, 3, 4. Glee Club 1, 2. Operetta 1, 2. Commercial Play 3. Annual Staff 4.

We are sure that Frances will be a great dancer some day. At least she gets lots of practice. A hearty laugh along with a wink is your reward for passing her either on the street or at school. Garrett seems to claim her interest this year.

Sarah Jane Johnson

"A sweeter girl you could not find,
Her disposition is always kind."

A. H. S. 1, 2, 3, 4. History Club 3, 4. Vocational Club 1. Honor Student 4.

Sarah Jane is our Cicero "Shark." If you can't get yours ask her. "O fortunata puella, quae littera Latina tam facile legit!"

Ruth Kelly

"She is the friendly one
Who always has a smile for you."

A. H. S. 1, 2, 3, 4. Vocational Club 1.

Ruth is friendly with everybody and will do anything you ask her to do. She has a smile for everyone.

Madalene Koons

"She likes a Ford, a four door car
And also the driver, a foot-ball star."

A. H. S. 1, 2, 3, 4. Annual Staff 4. Vocational Club 3, 4.

Madalene and Josephine might well be twins. It might save them the anguish of parting at night. Madalene is especially interested in a '24 grad.

Georgia Lockwood

"*Need was, need is, and need will ever be*
For her and such as she."

A. H. S. 1, 2, 3, 4. Commercial Club 4. Pres. 4. Vocational Club 4. Annual Staff 4.

Georgia has been very greatly interested in Basketball and so has "Minnie." She and Mabel are almost inseparable hence they are on the staff for "Jokes."

Carol Kutzner

"*She sings, and, smiling, hears her praise*
But dreams the while of one."

A. H. S. 1, 2, 3, 4. Glee Club 1, 2, 3, 4. Operetta 1, 2, 3, 4. County Music Contest 3, 4. Commercial Play 3. Annual Staff.

Auburn Hi must thank "Kutz" for her excellent work both in musical contests and in operettas. She might properly be called, "The Songbird of '25." She is also an accompanist of rare ability. "That danger line" need never frighten her—Dewey's at I. Dent.

Genevieve Kline

"*Forbidden fruit a flavor has*
That lawful orchards mock."

A. H. S. 1, 2, 3, 4. Vocational Club 1, 2, 3, 4. B. B. 3, 4.

Genevieve was a credit to the Basket ball team this year and has made a good guard. She has helped to make many a game a victory.

Wilma Latson

"*Downward the voices of duty call*
Downward to toil and be mixed with the main."

A. H. S. 1, 2, 3, 4. Commercial Club 4. Representative Commercial Tournament 4.

Wilma ever listens to the voice of duty and makes an excellent record by so doing.

Mabel Lewis

"Sail fast, sail fast,
Ark of my hopes, ark of my dreams!"

A. H. S. 1, 2, 3, 4. Commercial Club 4. Glee Club 1. Vocational Club 4. Representative Commercial Tournament 4. Honor Student 3. Commercial Play 3. Operetta 1. Annual Staff 4.

High grades and lots of fun spell Mabel Lewis. Her dreams seem to be coming to their logical end.

Gilbert Landy

"He listens and needs must obey,
When the angel says, 'Write!' "

A. H. S. 1, 2, 3, 4. Jr-Sr. Play 4. Calendar, Annual 4.

"Landy" is extraordinarily proficient with his pen or pencil. Many bright remarks and articles in the Chatterbox are his. Also, take a look at the Calendar. A's are common diet to him.

Martha Norris

"She drives a Ford to school every day,
And a mighty fine girl, is what we say."

A. H. S. 1, 2, 3, 4. History Club 3, 4. Vocational Club 4.

Martha is a great help to the History Club both with her presence and her Ford.

Mildred Nagle

"She walks in beauty like the night
Thus mellowed to that tender light."

A. H. S. 1, 2, 3, 4. History Club 3, 4. Glee Club 4. Double Quartette 4. Commercial Club 4.

Mildred's gentle voice is an addition to any gathering and we are glad to claim her as a classmate.

Myrth Pomeroy

"Not sure all of her time has paid
Unless upon some staff she's slaved."

A. H. S. 1, 2, 3, 4. Vice-Pres. 1. History Club 3, 4. Sec.-Treas. 3. Glee Club 2, 3, 4. Double Quartette 4. Operetta 2, 3, 4. Commercial Play 3. Editor Chatterbox 4, Staff 3, 4. C. I. P. A. delegate 4. Annual Associate-Editor 4.

Myrth has a hand in almost everything. Besides being so active in ex-curricular work she is an excellent student.

Wayne Paulen

"I'd rather laugh a bright haired boy
Than reign a gray-beard king!"

A. H. S. 1, 2, 3, 4. Hi-Y 4. History Club 4.

A happy, go-lucky kid is he. Never worries and is always smiling. We are glad to have known him.

Joyce Rhoads

"She'll make a housewife first rate,
Yet they say, she never had a date."

A. H. S. 1, 2, 3, 4. Vocational Club 1, 2, 3, 4, Pres. 3. Chatterbox 3, 4. Annual Staff 4.

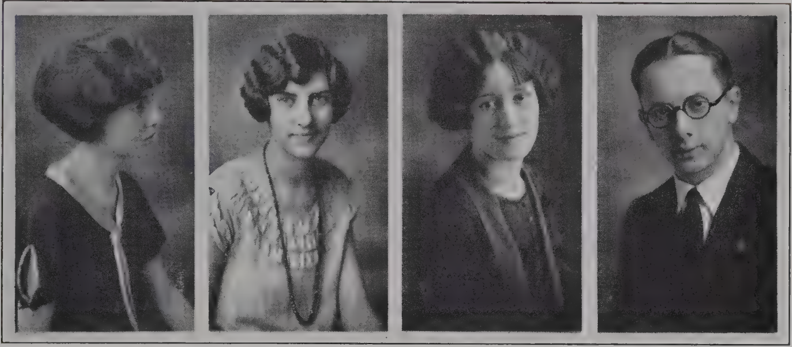
Joyce is another quiet member of '25. She excells in almost anything she undertakes. She is found most often in the Vocational Department.

Josephine Nelson

"Tying her bonnet under her chin,
She tied her golden ringlets in."

A. H. S. 1, 2, 3, 4. Glee Club 1. Vocational Club 4. Operetta 1, 2. B. B. 3. Annual Staff 4.

A demure little girl who is always found with a big girl. "Dode" spells fun to members of '25.



Erma Smith

"Smitty surely is a fine classmate.
As to her future, we will wait on fate."

A. H. S. 1, 2, 3, 4. Class Treas. 3. History Club 3, 4.

Erma has served the class well as guardian of the Treasury in our trying Junior year. We are sure she will make a success of her life.

Betsey Reesch

"Friends are around her
But where are her foes?"

A. H. S. 1, 2, 3, 4. Class Sec. 1. History Club 3, 4. Pres. 3. Commercial Club 4. Vocational Club 4. Glee Club 1, 2, 3, 4. Double Quartette 4. Representative Commercial Tournament 4. Operetta 1, 2, 3, 4. B. B. 1, 2, 3, 4. Orchestra 4.

"Betty" is ready to try anything. Her hobbies are Music and Commercial Courses. We are sure she will be a success in either if she elects to follow one of them. All are her friends.

Ruth Souder

" 'Twas a green and easy world
As she took it— room to play."

A. H. S. 1, 2, 3, 4. History Club 4. Commercial Club 4.

Ruth never worries. She makes good grades but never seems to study. Washington is her favorite hero.

Russell Simons

"A fairy prince, with joyful eyes,
And lighter footed than the fox."

A. H. S. 1, 2, 3, 4. Radio Club 1. Hi-Y 3, 4. Vice Pres. 3. B. B. Squad 3, 4. Swimming Team 1. Track 1, 2, 3, 4. Annual Staff 4.

Simons is our high jumper. He is also very efficient when it comes to getting "snaps" for the Annual.

Everett Stewart

"As a man may, he fought his fight,
And proved his truth by his endeavor."

A. H. S. 2, 3, 4. Jr-Sr. Play 4. Commercial Play 3.

The delight of the A. M. Senior English class is "Stewie." He manages to compound extraordinary and pleasing themes upon request.

Mildred Wineland

"What? Did you say she played chess?
No, an oratorical shark, I guess!"

A. H. S. 1, 2, 3, 4. Glee Club 3, 4. Oratory 3, 4. Operetta 3, 4. Jr-Sr. Play 4. Orchestra 3, 4. Annual Staff 3, 4.

Mildred has managed to put A. H. S. on the map. She journeyed as far as the state meet in Oratory last year. She's a friend worth having.

Marie Williams

"Marie seems to have a code
Wherever she is, you'll find Dode."

A. H. S. 1, 2, 3, 4. Class Treas. 2. Chatterbox Staff 2, 4. Vocational Club 4. B. B. 1, 2, 3. Annual Staff 4.

Marie is eagerly sought after by many Basket ball teams. She has helped the class of '25 and the High School as well as helping the "Y" after our season was finished.

Hilda Weaver

"Esse quam videri."

A. H. S. 1, 2, 3, 4. History Club 3, 4. Glee Club 2, 4. Chatterbox 4. Debate 3. Discussion 4. Operetta 2. Annual Staff 4.

Hilda is willing to do anything that needs doing. Her motto is given above.

Vernon Wiseman

"Beany is our athlete
And one we challenge you to beat."

A. H. S. 1, 2, 3, 4. Hi-Y 4. Ft. B. 1, 2, 3, 4. B. B. Squad 3, 4. Track 3, 4. Ba. B. 1, 2, 3, 4.

Another athlete come to light! He is counted on our Basket ball, football, baseball, and track teams. Are there any others?

Orris Wise

"He, it seems we hardly know
Because he likes to radio."

A. H. S. 4. Orchestra 4. Ba. B.

It's quite a long trip from Corunna to A. H. S. especially when travelled every morning and evening. But "Tommy" has done that very thing all winter. They say he's only been late 15 or 20 times and only had three new tires!

Albert Welch

"He makes all the girlies sigh
When they see him passing by."

A. H. S. 1 2, 3, 4. Hi-Y 2, 4. Jr-Sr. Play 4. Commercial Play 3. B. B. squad 3.

When it comes to taking leads in plays, Albert is right there. Some of the girls know him well.

Gladys Warner

"A new girl to us this year
And one you very seldom hear."

A. H. S. 4.

Gladys is so quiet you never would know she was there, but when something must be done you can count on her. We've only had her one year but we have learned to like her.

Lorin Watson

"From my heart I give thee joy,
I was once a barefoot boy!"

A. H. S. 1, 2, 3, 4. Hi-Y 1, 2, 3, 4. Glee Club 3. Radio Club 1. Chatterbox 3. Jr-Sr. Play 3. Bus Manager 4. Operetta 3. B. B. squad 3, 4. Annual Staff 3, 4.

Here is an old stand-by. Anything that needs good work and a clear business head can easily be managed if "Watson" is at the head of it.

LeRoy Wiltrout

"A legal man he is bound to be;
A lawyer we are sure to see."

A. H. S. 2, 3, 4. History Club 3, 4. Hi-Y 4. Chatterbox Staff 3, 4. Track 4.

Here is the legal turn of mind, surely. Any debate or question to be argued should be turned over to LeRoy.

Harold Wilson

"Of all the whos and whys and hows,
He knows more of plows and cows."

A. H. S. 1, 2, 3, 4. History Club 4. Commercial Club 4. Orchestra 4.

Harold has just reached his stride this year and we are sure he will be heard from in later years.

Glen Yoquelet

"A youth of labor in an age of ease,

A Senior Reverie

Four long years ago we entered McIntosh High School one hundred and nine strong. We still have the honor of being the largest class ever enrolled in Auburn High School. Well do we remember how some of us visited the country woods and roads after our first introduction into High School society in the form of a Freshman reception which was sponsored by the Hi-Y. Dale Walter presided over our class meetings assisted by Myrth Pomeroy, vice-president, Betsey Reesch, secretary, Russell Bills, treasurer, and Miss Humphreys, class supervisor.

The proper finale to our social events, such as parties, wiener roasts and sleigh rides, was a picnic at Hamilton Lake which was chaperoned by Miss Mildred Wiley.

Members of '25 early began to get into all the activities and athletics of the school. Marie Williams soon found her place on the girls' team as center. Our swimming team composed of Edward Bournes, Marion McGrew, Russell Simons, Carl Dennison and Glen Yoquelet easily won the Interscholastic Championship from the upper classmen.

Again in 1922 we assembled, having lost thirteen of our members. After an exciting campaign we elected Edward Bournes, President; Glen Yoquelet, Secretary; and Marie Williams, Treasurer. Miss Marion Thrush was chosen to guide and chaperon us. Caesar and other notables were routed by our gallant attacks and the year was wound up with a picnic at Hamilton where everybody enjoyed a revelry on skates. Our president also showed his endurance by going swimming.

Once more our members lived up to their laurels and captured first place in the Indoor Baseball Interclass Tournament.

Thrift was started in A. H. S. and the Class of '25 being the peppiest bunch took the loving cup for the highest percentage of students banking all year.

Surely the Chatterbox of 1923 and 24 shows our ability as Juniors. Our officers, Glen Yoquelet, President; Cortland Frederick, Vice President; LaRea Foote, Secretary; and Erma Smith, Treasurer, with the assistance of Mr. Weathers as class advisor put over a campaign which netted us enough money to finance the Junior-Senior banquet with the aid of the Seniors.

Mildred Wineland put us on the map by going to the state contest in Oratory.

In the annual Tug-of-War the Junior Bull Dogs pulled the Seniors a long way over the dead line. This year we placed Carl Dennison and Dale Walter on the basket ball squad. Wiseman, Frederick, Bournes, Freeman and Dennis were awarded Letters for work on the gridiron.

We again won the prize of $30 for the highest percentage of bankers.

The Follies of 1925 speaks for us as Seniors. With Dale Walter again in charge, affairs moved along smoothly. Mildred Wineland took second in the District Oration. The under classes gave an entertainment to the Class of '25 because we banked 100% all the first semester. Only a barbecue was on the list of social events but we hoped to have another party later. The basket ball squad loses Carl Dennison and Dale Walter with the passing of '25. Football loses Cortland Frederick as Quarterback and several other players.

But soon our school life will end and we will go forth into a new life—strengthened by what we have learned at Auburn High and secure in the belief that we shall succeed out in the world as we have succeeded here. Many of us go from this school into another and all of us enter the School of Life. We leave with those who take our places the hope that they will do more for A. H. S. than we or others before us have done.

Junior Class History

On the seventh day of September, 1922, over one hundred Freshies grouped together in the halls of McIntosh High School, eyes and ears wide open ready to start their High School life. The class was soon organized and we elected the following officers to guide us through our Freshman year: Robert Little, President; Kathryn Groscup, Vice-President; Nelline Faylor, Secretary; Frieda Knott, Treasurer, and Mrs. Leitzman, Class Advisor.

Our social activities were limited to a Hallowe'en party and a picnic at Lake Gage to celebrate the end of our first year in Auburn Hi.

In athletics we started a record which will be hard to beat when we get to be seniors. Of our number, Naomi Kraft and Katrinia Baker were on the girls' basket ball team, and DeVoy Showers on the football eleven.

With these records we ended our Freshman year.

On the third of September, 1923, we again entered school over 100 strong. We organized our class as soon as possible, electing: Stewart Faulkner, President; Harris Berg, Vice-President; Naomi Kraft, Secretary; and our old stand-bys Frieda Knott as Treasurer, and Mrs. Leitzman, Class Advisor.

We kept our good record in athletics, having DeVoy Showers, Lloyd Hoodlemier, Harold Snyder and Garth Silberg on the basket ball squad. Dawn Hess, Naomi Kraft and Katrina Baker were on the girls' squad. In track we had Harold Snyder, Chas. Ashleman, David Yarian, Willard Lahnum and Louis Gilford on the team. We sent two men to the state and captured the Inter-Class meet.

Our social events were same as in the Freshman year: a Hallowe'en party and a picnic at the end of the year.

Thus the year ended, and most of us were happy for we would be upper classmen next year.

On September 8, 1924, we again returned, proud and happy to begin our first year as upper classmen. We organized our class as soon as possible electing: Willard Lahnum, President; Frederic Bishop, Vice-President; Nelline Faylor, Secretary; Garth Silberg, Treasurer; and Dewey Sanders, Class Advisor.

Although this is usually a hard year for every class, to whose fate it falls to give the hearty Seniors a Banquet, we have had very interesting times. The Junior Carnival was first and everybody reported a good time, even the Treasurer. A Bob party followed this; then a wiener roast. The Junior-Senior Banquet will repay us for all the parties we missed.

We retained the same members in athletics, with the additions of Buster Hetrick and Edward Crutcher to the basketball and football squads, and Ralph Noel to the football eleven.

Next year will be our last time to do honor for old A. H. S. We are going to do our best and set a record that will be hard to beat when we end our year of '26.

Sophomore Class History

With an enrollment of nearly one hundred, the class of 1927 began its career in Auburn High School. The class election made the following officers:

Franklin Van Scoik	President
Estus Baker	Vice President
Virginia Bourns	Secretary
Miriam Rainier	Treasurer
Miss Marion Thrush	Faculty Advisor

The activities of the class were confined to two parties;. The party held at Snepp's barn proved to be the big drawing card of the year, and it is a well known fact that many of the upper classmen attended.

The Class of '27 has been well represented in athletics and scholarship for the year and should be able to carry on the high standard with which it has started.

Our Sophomore year all came back happy and ready for any duty that awaited them. The officers were chosen as follows:

Carl Walter	President
Betty Whitten	Vice President
Barbara Whitten	Secretary
Donald Kuhlman	Treasurer
Miss Dorothy Diehl	Faculty Advisor

This year the class pins were chosen, and everyone was well pleased with the pin selected.

The class has contributed to athletics this year. Barbara and Betty Whitten, and Aileen Showers will receive their basket ball sweaters this year. Carl Walter and Estus Baker will also receive their basket ball sweaters this year. Funk played center all year on the first team; he made his sweater last year. Several of our class have also received football letters.

All of the members of the class are looking forward to next year when they will be "upper classmen," and are going to make that year even better than the last.

Freshman Class History

A snappier group of individuals than the Class of '28 has never entered McIntosh High School. Ninety-three members enrolled at the beginning of the first semester.

At the first class meeting, the following officers were enrolled:

Edward Mayfield	President
Gertrude Watson	Vice President
Erthenia Graham	Secretary
Donald Gregg	Treasurer
Miss Emma Force	Faculty Advisor

From its entrance into High School the class of '28 has taken its part in the activities of the school in no small way. Walter Manon was on the basket ball squad. Erthenia Graham won her sweater through playing on the girls' basket ball team. Charles Lash, on the football squad, received his "A." Our President, Edward Mayfield, proved that his election was a wise one, for he took all school honors in Discussion.

We must here express our appreciation to the upper-classmen for giving us a good send-off at the beginning of the year. They gave a delightful reception in our honor, and in this way we made a quicker contact with the older students who created the fine school spirit which exists.

Our first social affair as a class was a Hallowe'en Party in the smaller gym. Seventy-five members were present— a wonderful party, because it was our very own! Here was the first opportunity to show the world at large that we were out of the incubator. Boys took girls home! For the first time!

And now, at the close of our first year, we are happy to feel that we are welded into the student body of a fine school.

Our Coaches

Coach Cecil E. Young

"Zeke" hails from Martinsville, the town that raises basket ball players. He played on Martinsville High School team for two years. One of these two years, Martinsville went to the semi-finals of the state tourney.

After graduating from Martinsville High School, Coach Young went to DePauw University. There he distinguished himself as a floor guard of the first caliber, making the varsity his first year in school. Besides being on the basketball squad four years, he was on the track squad and also played varsity in football for two years.

"Zeke" can still play basketball. He was regular floor guard on the Y. M. C. A. team this year. The "Y" had one of the strongest amateur teams in this district.

One of "Zeke's" greatest assets is his ability to put fight into our team. Under his excellent coaching our boys were District champions this year and went to the finals in the Regional tourney at Ft. Wayne.

Coach Edith Lindley

Miss Lindley is a graduate of Columbus High School, Columbus, Indiana, and Earlham College. After completing this schooling Miss Lindley taught school a short time and then entered Indiana University.

This year we were fortunate to get Miss Lindley. She made possible our winning team. She took a decided interest in her work and displayed this interest by producing a basket ball team that only lost one game during the entire season.

To show the purpose of gym classes and what the students get out of physical training, Miss Lindley with Mr. Young, conducted a gym exhibition at the dedication of the Gym. The exhibition proved that the work was valuable and that the coaches knew how to instruct physical training classes.

Auburn Alumni Gymnasium

Our new gymnasium was first started when our High School Athletic Association saved several hundred dollars from receipts of the games and announced that it was laying aside the funds to apply on the cost of a new gymnasium. Later, the high school invited resident members of the alumni to a banquet for the purpose of discussing the need of a gymnasium, cost in general' and reasonable revenue that could be expected from such a gymnasium. This banquet was paid for from the Athletic Association funds. It was prepared and served by High School girls.

At this meeting High School students appealed to the members of the Alumni for assistance in the school's effort to secure a gymnasium. Members of the school board informed the members present that with the assistance of the boys and girls and financial aid by the Alumni Association, it would be possible for the Board to build the gymnasium.

Later, the details were worked out and "Gym Pledges" solicited from all members of the High School Alumni and everyone else in the city. In this way approximately half the cost of the structure was met.

We also sold reserved seat season tickets at $5.00 each and raised more than $1500.00 in that way.

Our building measured on the outside, 92 ft. by 122 ft. The playing floor is 48 ft. by 80 ft. and on this there is a court laid off 42 ft. by 72 ft.

We have bleacher style seats with no balcony and these seat more than 2,200 people, allowing 17 inch seat room for each person.

In this building there is nothing to obstruct the view of the spectators as large trusses are used as supports for the roof.

There is to be a movable platform constructed that can be set up in the gymnasium when we wish to use it for community meetings. At such times with seats placed on the playing floor the building will easily seat over 3,000 people.

We have a fine gymnasium of which we are surely proud to be the owners.

Boys' Basketball

Capt. Garth Silberg, "*Lucky.*"

"Lucky" sure is a heady player. He is a captain of excellent caliber. Next year's team will probably be led by him.

Cecil E. Young, "*Zeke,*" Coach.

This is "Zeke's" first year in Auburn. He knows how to put the "ole" fight into the team.

Francis Franz, "*Shinney,*"
Yell Leader.

"Shinney" knows his oats. He's a real yell leader. Much of the pep and enthusiasm shown at games is owed to him.

Our Team

L. Hoodelmier, "*Hoody*."

A dependable forward who played a forty minute game is Hoody. His shots from all points of the floor seemed to go in when they were most needed. Hoody was given a berth on the all-regional team. Hoody will be back on the team next year.

H. Snyder, "*Snip*."

Snip has won the faith of all basket ball fans. Speed is the factor which put him to the front. After his successful year on the team, next year's prospects loom up bright with the knowledge that he will again be on the squad.

M. Funk, "*Funk*."

Funk has found a new berth, playing center then dropping back to back guard. Those long arms gather in the apple and his interfering with passes helped pile up the long side of our scores.

C. Dennison, "*Hork*."

"Come on fellows— fight!" was his slogan. He always practised what he preached. Not very many men got around him at guard. He never failed to slip a long shot in every game. That he has played his last game for A. H. S. is the big regret of the whole school.

Our Team

V. Wiseman, "*Beany.*"

We lose our Beany this year but he has shown us that he's able to hold his own on the squad. Wiseman's "Bull Dog" determination has been a valuable asset.

D. Walter, "*Tubby.*"

This is Tubby's second and last year with us. He has shown himself a good sport and a dependable man.

C. Walter, "*Cal.*"

This was Cal's first year. He has proved himself capable of handling any role on the team. Carl will have two more years to play for Auburn.

B. Hetrick, "*Buss.*

Buss has shown his quality and is sure of a place on next year's team. He can be depended upon in a pinch. His red hair means business.

E. Baker, "*Estie.*"

Small but mighty! This is Baker's first year but not his last. He has played forward. Although handicapped by a shortage of bulk, he's going to overcome that on pasture during the summer

Summary of the Season

The first game of Auburn's 1924-25 basket ball season was with Waterloo at Waterloo. This game was one sided and Coach Young sent in the whole squad including the second team. Score: W. H. S. 13, A. H. S. 47.

The second game, with Ligonier, is another story. The team went to Ligonier and lost a hard fought game. The best players were put out of the game on fouls. Score: A. H. S. 22, L. H. S. 25.

The following Friday Auburn took Decatur over to the tune of 33—30. Auburn's excellent passing and floor work was the feature of the game.

In the fourth game Auburn drubbed Albion. Score: Auburn 42, Albion 15.

Butler pulled the unexpected and nearly helped herself to the next game which was too tight for comfort. The game ended with Auburn at the long end of the score, 30—21.

The sixth game marked the opening of our new Gymnasium, when Waterloo played a return game. Auburn won, 39—21.

The seventh game was with Angola. Seven is our lucky number. Score Auburn 25, Angola 22. Remember the tournament last year? Yeah? Nuff said.

The slaughter continued in the following game which was with Garrett. Garrett furnished plenty of opposition but Auburn furnished more. Score: A. H. S. 25, G. H. S. 21.

Wolf Lake next put up a strong fight, but Auburn held the big score at the end of the game. Score: A. H. S. 34, W. L. H. S. 24.

"A" may stand for many things, among them Albion and Auburn. Albion found that Auburn was doing things this year. We won by a score of 43 to 12.

All this led up to our big climax. We were now due to face our old rivals, Kendallville. They are real rivals and we'll take our hats off to them any day, for they are clean sports. Although we were handicapped in our game there by the small gym we succeeded in taking home another victory, 26 to 22.

Decatur has always been a dark horse. We did not know what to expect from them this year, but we found out. They had an excellent team and fought every minute. Auburn out-played them, winning by the skin-tight score of 26 to 25.

Garrett had a terrible shock the next game with Auburn! They won it! We had no luck on the small floor which permitted no floor work. Garrett won with long sure shots, and we wish her luck.

Butler can well be proud of the team she has. Although they were beaten here it was because Auburn's scrappy quintet was ahead of them on floor work. The score was rather lopsided. Auburn 26, Butler 15.

Auburn has repaid her ancient debt to Columbia City. They beat us in football. But what didn't we do to them in tossing the apple around! After the first half the seconds went in and finished the game. Auburn 42, Columbia City 23.

We went to Angola feeling chesty- too chesty. We dropped her a nice victory. The first half was close. In the second half long shots put them too far ahead for us to stage a come-back. The last of the half was decidedly ours, but too late in the game. Score: Angola 31, Auburn 24.

Monroeville was, it seems, not in form for they were easily beaten. They could not handle the large floor, let alone the Auburn team. The score was Auburn 40, Monroeville 11.

Ligonier came here for the return game. The game was a good one. Our fellows could not miss the hoop. We chalked up another victory. Auburn 44, Ligonier 18.

Goshen came here to strut their stuff. The Goshen boys' passing was good. We hope they will return next year. The score of this game was Auburn 43, Goshen 24.

The last game of the season was played on the home floor, against Kendallville. Kendallville brought a large bunch of rooters over all full of pep. The team played well but the odds were against it. The Auburn aggregation piled up a good score which Kendallville could not overcome. Auburn 30, Kendallville 18. We cannot refrain from quoting part of Mr. McKenney's speech at the "Big Pep Session." He said, "We used to think we were doing well to beat Kendallville once in two years, but when we beat them twice in one year it caused an earthquake."

Second Team

One of the reasons that Auburn had such a good varsity basket ball team was because we had such a good second team. Our second squad, unlike most other schools, was composed of men that were not varsity subs. Most schools use their varsity subs on their second teams.

Our seconds found easy sailing among the majority of the other second teams of this district, so they played some first teams. They beat Spencerville firsts twice. Monroeville firsts handed our boys a beating down there but they got revenge when Monroeville played here. Corunna varsity proved easy for us. Waterloo seconds took the count twice from our seconds. Garrett seconds were beaten twice by Auburn. Angola and Kendallville hold two victories over us.

Men who played on the second team were: Watson, Sprott, Simons, Freeman, Crutcher, Kuhlman, Manon and Zegenfus. These men deserve the thanks of the school and the students for the record they made for Auburn.

Butler was the runner-up in the tourney. The school was well represented Saturday night. However, the score was not very close. Butler has a good team of which she can be proud, for it has made a good record this year. The final score of the Butler and Auburn game was: Auburn 23, Butler 10.

We defeated our old rival Garrett on Saturday, March 7. The gym was packed with the largest crowd we have had this year. Auburn was in the lead all of the time but it was too close for comfort. When Funk went out on fouls, the crowd looked the despair that it felt. "Bus" went in and finished the game as back guard and "Hork" went up to floor guard. The game ended 18 to 11.

Garrett defeated us in the finals of the County Tourney held at Garrett just a few weeks before.

After winning the district, Auburn began strenuous practice for the regional. The following Saturday we went to Ft. Wayne in high spirits. We were appalled by the large gym and the beautiful school that South Side has. Promptly at 10:30 Auburn came out on the floor with Fremont. Fremont expected a victory for they had been practising on Angola's floor. However, it did not seem to help them. The score was close; the first half ended 14 to 8 in Fremont's favor. The second half our Crimson and Black came back with the fight that won the game. The score was 20 to 16. This put us in the finals with Elkhart in the evening. The first half of this game was close, but we had a hard time finding the baskets. It was estimated that we shot twice to their once, so the defeat was not so ungracious although we lost by the score of 18 to 30.

Girls' Basket Ball

Coach Lindley

"Lindley"

This is her first year here and she has made many good friends. She proved to us that she could coach a successful team. Lindley knows her "Stuff."

LaRea Foote,

"Foote," Center, Captain.

Her ability to get the tip off has done much toward the success of the team. The team will lose "Foote" by graduation. This ends her third year on the varsity.

Naomi Kraft,

"Kraft," Guard.

Kraft's motto seemed to be, "they shall not pass," and her forwards found that they had to work hard for every basket they made. Kraft will be back again next year.

Our Team

Mozelle Long, "*Mose,*" Forward.

"Mose" with her trick pivots made 256 of the 465 points for Auburn this year. This is her first year on the varsity. She has one more year left to sink baskets for old A. H. S.

Betty Whitten, "*Betty,*" Forward.

Betty played in every game this season and fought every minute she played. Her dependability helped to win 14 of the 15 games played.

Genevieve Kline, "*Kline,*" Guard.

"Kline" stepped into the front line this year. She filled the gap made by Swede's absence. Although small, she was always in a position to keep her opponent from scoring.

Dawn Hess, "*Bud,*" Side Center & Guard.

"Bud" has proved a very efficient player. She has filled the gap at Side Center, and in a case of necessity she makes a good guard. Dawn is among those stars to whom we are looking forward to shine next year.

Our Team

Katrinia Baker, "*Sandy,*" Side Center.

"Sandy" is noted for her "spring" and speed. She "sprung" too hard once and injured her knee so as to cause her to discontinue playing the last few games of the season.

Erthenia Graham, "*Tiny,*" Guard.

"Tiny" is a Freshman but she is a good dependable guard. Her size enables her to block most shots.

Aileen Showers, "*Pewee,*" Side Center.

"Peewe" played in the center position. She was small, quick and always available when wanted. We'll have her next year.

Barbara Whitten, "*Barbara,*" Forward.

Barbara has two more years left. When she gets in the game with her twin sister they immediately confuse the opposing guards because they look so much alike. Barbara always played well when needed.

Summary of the Season

Auburn girls have made an enviable record for 1925. With clean fight, lots of pep and a winning determination, they have lost but one of the fifteen games played. This was lost at Garrett by a score of 15—28 in return for a defeat at Auburn earlier in the season. Decatur and Garrett girls proved to be Auburn's strongest rivals. The highest score, 95—8, was piled up against Monroeville, Allen County Champions.

Kraft '26, Kline '25 and Graham '28, guards, held their opponents to exceptionally small scores.

Foote '25, center, with Hess '26, Baker '26 and Showers '27, side-centers, passed the ball to the forwards unceasingly.

Betty Whitten '27, Long '26 and Barbara Whitten '27, forwards—although this was their first year on the varsity— more than doubled the score on opponents.

Duncan '26, Burtzner '28, Smith '25, Groscop '26 and Boren '28 deserve honorable mention for their untiring effort in helping to make a strong first team.

Although Foote, captain and center, and Kline, guard, will be lost this year by graduation, Auburn fans anticipate a very successful season for 1925-26. Probable scheduled games are: Garrett, Decatur, Albion, Columbia City, Peru, Lancaster, Bluffton and Ft. Wayne.

This year Betty and Barbara Whitten, Mozelle Long, Erthenia Graham, Genevieve Kline and Aileen Showers were awarded sweaters by the Athletic Association for their athletic activities. Naomi Kraft, LaRea Foote, Katrinia Baker and Dawn Hess have received sweaters in previous years.

At the close of the season Miss Lindley gave the squad a delightful banquet, at which event Naomi Kraft was chosen captain for the coming year. With her experience and knowledge of leading we expect great things of the team next year.

The Season

The third season of football in A. H. S. has closed. Although we did not have a winning team we had a fighting team. The team under the excellent supervision of Coach Young displayed more real football than either of the previous teams. Before this year Auburn has not had enough football equipment to equip a second team. Now, however, we have a fine lot of uniforms.

The first game of the season was with South Side, of Fort Wayne. Auburn played a good brand of football and held their opponents very well in the first half. However, in the second half South Side substituted so many fresh men that finally they ran away with Auburn. Auburn didn't have the subs to send in to check the attack. However, they fought until they couldn't fight any more. The game ended 66 to 6.

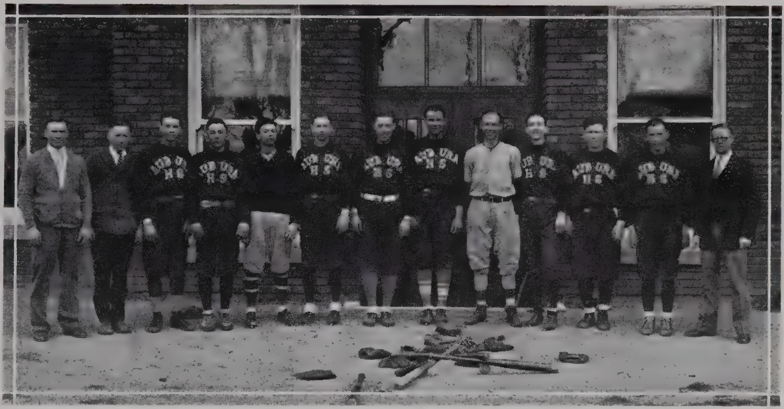
The second game was with Columbia City. Columbia City bewildered our boys the first quarter with their "huddle" system of giving signals. However, Auburn players collected their wits, but not in time to prevent Columbia City from scoring three times. The final count was Col. City 30, Auburn 6.

The third game was with Howe Military Academy. Howe has a fine team of real fighters. We consider it an honor to play a team that displays as much sportsmanship as Howe did. Howe was too heavy for Auburn, and time after time they plowed through the Auburn line for touchdowns. Auburn played a backfield composed mostly of substitutes in this game, which partly accounts for the large score made against them.

The fourth game was with Kendallville. This was the closest game of the season. Auburn took the offensive at the start and carried the ball within twenty yards of the goal only to lose it to Kendallville. There was no scoring the first half by either side. The third quarter Kendallville made two touchdowns. Auburn scored once the last quarter. Three other times Auburn played the ball to within ten yards of the goal only to lose it by fumbles.

The last and best game of the season was with Garrett who predicted for herself an easy victory. Although Auburn recognized in this rival a formidable opponent, every fellow entered the game full of confidence and fight. One of the features of the game was Wiseman's spectacular rolling block. We are proud of our team's showing against Garrett, which is one of the strongest teams of the district. The game ended 13 to 0 in favor of Garrett.

Auburn expects to send a veteran team upon the field next year. We are confident that we will have a winning team.



Base Ball Team

Left to Right: Coach Young; Zegenfus, Catch; Welch, Left Field; Burtzner, Third; Wise, Pitcher and Right Field; Hoodelmier, Catch; Wiseman, Pitcher; Funk, First; Stewart, Right Field; Faulkner, First and Fielder; Hetrick, Center Field; Crutcher, Second and Pitcher; Ass't Coach Sanders.

The Season of 1924

With the closing of the Basket ball season, Coach Leitzman issued a call for Baseball men and about 25 responded. With a few regulars left from last year a good team was developed.

Wiseman was used in the box with Hoodelmier on the receiving end. With Silberg at first, Black on second, Long at short and Gibford on third, a very capable infield was developed. In the outfield Faulkner at right, Walter at left, and Berg at center made an errorless combination.

In the opener Garrett was defeated 7—5 in a good game. This game was marked by a great rally in the last inning.

The second scheduled game was canceled because of rain. The trip to Hamilton was enjoyed by all.

The third game was a thriller ending in a 3—3 tie. Tight pitching by Wiseman featured, Butler securing but three hits. Butler scored nearly all their runs on errors.

Hamilton was next victim falling to the tune of 7—1. The Hamilton pitcher was a little wild, hitting four men in a row.

Garrett was the next game and they seemed to have a rabbit foot, for they won by a large score, 13—5.

We have good prospects for this year. Wiseman and Hoodelmier, the regular battery are back. Games have been scheduled with Angola, Garrett, Central and Corunna.

Track Season of 1924

A number of men answered Coach Leitzman's first call for track and field candidates. The Auburn "thinly clads" of '24 had a very successful season and have made track a major sport in Auburn High School.

Auburn won the County Championship with ease. The closest contender was Garrett. That school scored thirty-nine points while Auburn scored fifty-eight and Butler two.

One of the best meets of the season was a triangular meet in which Central of Ft. Wayne, Kendallville and Auburn participated. Central took the meet by a small margin. They scored forty-five points. Auburn had thirty-six and Kendallville eighteen.

The team journeyed to Columbia City the following week. We were beaten by four points. Auburn took the majority of the track events but lost nearly all the field events.

In the district meet at Ft. Wayne, Auburn strutted her stuff. However, Central beat us by three and one-half points. Those who placed in the meet from Auburn were "Bill" Long, "Snip" Snyder, "Cort" Frederick and Ashleman. Long placed in the 100 yd. dash, 120 yd. hurdles and the pole vault. Snyder placed in the 220 yd. dash and Frederick took third in the 120 yd high hurdles. "Bill" Long was individual high point man of the meet. Auburn was allowed to send three men to Indianapolis to the state meet; Long, Ashleman and Snyder.

A successful season is predicted for the 1925 track team. Although Long is lost to them, they have Ashleman, Snyder, Frederick, Yarian, Wiseman, Hetrick, Hinsey, Lahnum, Simons and Wiltrout back.

The Track Team

Simons, High Jump, Pole Vault, High Hurdles and Mile Relay.

Lahnum, Mile Run and Relay.

Ashleman, Hundred Yard Dash, 220 yd.Yard Dash, Half Mile Relay.

Frederick, Quarter Mile, 120 Yard High Hurdles, Broad Jump, Half Mile Relay and 220 Yard Low Hurdles.

Kressley, Mile Relay and Broad Jump.

Snyder, Hundred Yard Dash, 220 Yard Dash, 220 Yard Low Hurdles and Half Mile Relay.

Yarian, Half Mile and Mile Relay.

Hetrick, Mile Relay, Mile and Shot Put.

Hinsey, Broad Jump and Quarter Mile.

Noon Hour League

The new Alumni Gym was completed. Why shouldn't every high school student derive some benefit from it? Seventy boys divided into teams and named by letters, participated in the games of the Noon-Hour Basket Ball League. They played throughout the Basket Ball season. Only boys not playing on the first or second high school teams were eligible to play in the league. This left but a few who did not take part in Athletics during the Basket Ball season. Team "C" won the League having scored the most points against their opponents. Team "I" was second.

Some good Basket Ball material for next year's team was uncovered during the League games. The boys had plenty of good exercise and they also received excellent training and experience.

On Thursdays and Fridays Interclass Basket Ball was played. Keen rivalry existed between the competing class teams at all times, especially between the Juniors and Seniors. The Juniors won the Interclass League. The Seniors ran them a close race but lost out by one game. The Sophomores were third and the Freshmen last.

History Club

The History Club was organized in 1921 by Mr. Weathers, primarily for Juniors and Seniors, who were interested in history beyond that taken up in the classrooms.

At each meeting a general historical topic was discussed. Officers the first year were elected as follows: Mae Surface, President; Donner West, Vice-President; Eloise Harris, Secretary; and, Ward Swarts, Treasurer.

The following year no club was organized but with Mr. Weathers' return in 1923 it was organized for Juniors and Seniors having a grade of 85 or above. Officers were Betsey Reesch, President, and Myrth Pomeroy, Secretary and Treasurer.

An historical party was held in the High School Gym to start the club and a meeting called every second week afterwards. One of these was a pot-luck supper given for the faculty. The club also gave a playlet as a part of Educational Week in A. H. S. showing the system of assimilating foreigners.

In February, at a banquet held at the Y. M. C. A. a group of eligible Sophomores were initiated.

The year of 1924 again saw the History Club organized with Maurice Close, President; Alta Pomeroy, Vice-President, and Willard Lahnum, Secretary and Treasurer.

The club had become so large that it was thought best to accept only eligible Juniors and Seniors as new members this year. Numerous pot-luck suppers, parties and wiener roasts have been greatly enjoyed.

The club has enjoyed three successful years and we hope it continues to grow.

Hi-Y Club

Following the motto, "Clean Sportsmanship, Clean Speech, Clean Athletics and Clean Scholarship," the Hi-Y has completed one of the most successful years since its organization in the Auburn High School.

Freshmen, ineligible to the Hi-Y Club prior to this year, were admitted to membership along with the young men of the three upper classes of the High School. Two members of the faculty, Mr. Sanders and Coach Young, were also admitted. The initiation ceremony used was the same as the one used by the Kokomo High School Hi-Y Club. After the new members were initiated they were given Hi-Y pins, and testaments were presented by the Y. M. C. A. The members of this excellent organization for young men of high school age have acknowledged the fact that the Hi-Y Club has proved beneficial in bringing them in closer association with the Y. M. C. A., which is a Christian Association.

Meetings were held every Thursday evening in the basement of the Y. M. C. A. Supper was served and then either a lesson from the New Testament was given by Rev. Morgan, or a heart-to-heart talk by some local business man or outside speaker.

Many social activities besides the regular weekly meetings were planned by the officers:

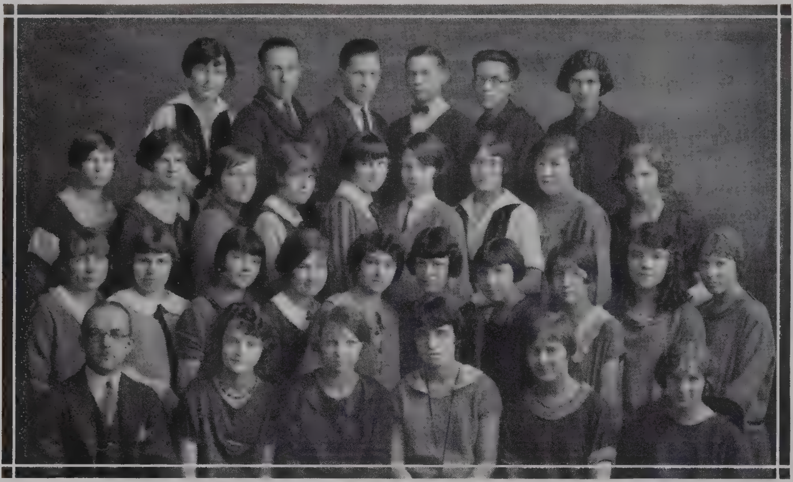
Walter Lige	President
Lloyd Hoodelmier	Vice President
Harold Snyder	Treasurer
Thomas Sprott	Secretary

The outstanding events of the year were: Brother and Sister Banquet, Meeting of all the Hi-Y's of this district, Mother and Son Banquet, and the Father and Son Banquet. In entertaining the mothers and fathers the boys wished to develop a keener sense of filial devotion and in turn hoped that their parents might look with greater pride at the work that was being accomplished by them.

To make the Hi-Y Club one of the leading organizations of the High School, special time was expended, and genial interests were taken in it by the Advisory Committee:

Mr. E. F. Fribley
Coach Young
Mr. W. A. Rubner
Mr. G. E. Beugnot
Mr. John Zimmerman

The Hi-Y has the right spirit. May it be larger, better, and more successful in nineteen hundred and twenty six.



Commercial Club

Front Row: Mr. Gunther, Nelline Faylor, Georgia Lockwood, Frieda Knott, Alta Pomeroy, Hildred Ensley.

Commercial Club

The Commercial Club of the Auburn High School has had a broken but interesting history.

Due to some reason or other the club was not organized last year, but in the previous year a group of peppy students assembled and organized this society.

The Commercial Club of 1925 has over thirty members and has been very progressive due to their excellent threefold purpose, which was adopted at the first meeting of the club, and is as follows:

1. To study the lives and careers of successful business men.
2. To instill and stimulate a desire for increased knowledge of commercial subjects.
3. To benefit by hearing addresses and talks by worthwhile business men.

About twenty students who were eligible for membership assembled on Wednesday evening, January 7, at the high school, to organize the club and choose their officers and committees.

Georgia Lockwood was elected president; Frieda Knott, Vice-President; and Nelline Faylor, Secretary-Treasurer. The following committees were also chosen: Program Committee, Mabel Lewis (Chairman), Helen Brandon, Alta Pomeroy, Betty Reesch and Gertrude Korff; Entertainment Committee: Helen Shook (Chairman), Kennis Aldrich, Dorothy Courtemanche, Geraldine Duguid and Mildred Nagle.

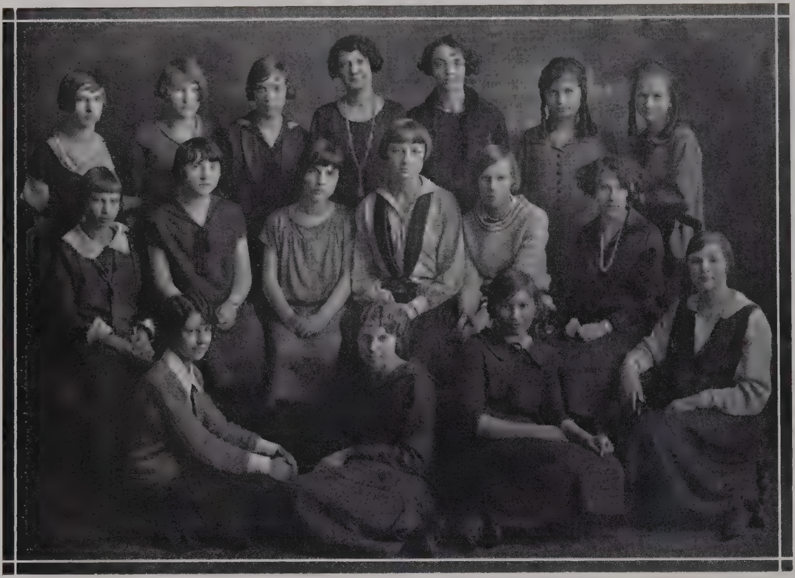
"All work and no play," is not our motto, so we have had some parties connected with the club. At the beginning of the year a feed was furnished by the officers, which was appreciated by everyone.

Monthly dues of ten cents were paid with which the club will be entertained at the close of the year.

Also some educational trips are planned for the future in which the club will visit real business firms and see how business, in its true form, is carried on.

The club has been favored with an orchestra although not all members were eligible for the club. This orchestra added very much to our programs and entertainment during the year.

Due to the wise leadership of Mr. Gunther, its faithful and patient instructor, the club has had opportunities to hear many addresses from the best of speakers on the subject of business and other commercial problems of interest to everyone.



Freshman-Sophomore Glee Club

The Freshman-Sophomore Glee Club was organized and officers were elected in the middle of October. It was decided that only two officers were necessary, so Jessie Brandon was elected President and Alice Barnhart, Secretary and Treasurer. The Club planned to meet once a week.

The first public appearance of the Glee Club was on March twenty one, when they sang for the County Teachers' Institute.

The main event of the season was the Operetta, "Sylvia."

The Glee Club is composed of the following members: Altos– Bernice Lawson, Alice Barnhart, Aileen Showers; Sopranos– Kathryn Wilson, Dorothy Groscop, Audrey Close, Mildred Berringer, Helen Wyatt, Alice Willennar, Bertha Walter, Opal Knott, Erthenia Graham, Joanna Rhoads, Mildred Loy, Jessie Brandon, Gladys Heffley and Grace Barnhart.

Junior-Senior Glee Club

The Junior-Senior Glee Club which has been under the direction of Miss Gause has had a very successful year during 1924-25.

The members of the Club had a big pot luck supper at the High School, preceding one of its meetings.

The Club has sung on several occasions, including the Teachers' Convention at Ft. Wayne in October, Parent-Teachers' Meeting, Feburary three, County Teachers' Institute at Auburn and Parent-Teachers' Union Meeting at the High School.

The Glee Clubs gave the Operetta, "Sylvia." This alone is proof of their ability.

Girls' Vocational

The girls' vocational course was organized in 1919 in the Auburn High School. At that time it was looked upon as an unnecessary study— a snap course created for the waste of time. But each year, as more girls became interested the practical value of the course became evident.

This year the course has been more varied than ever before. An outline of the course carried throughout the year has been as follows:

The first semester the Freshmen studied cooking and textiles, and the second semester, bacteriology and sewing. The Sophomores studied cooking and interior decorating the first semester, and dietetics and sewing the second. The Junior and Senior classes have been combined. They are studying home planning and management the first semester, advanced dressmaking and millinery the last semester, and household physics the entire year. The sciences are alternated from year to year: chemistry one year and physics the next.

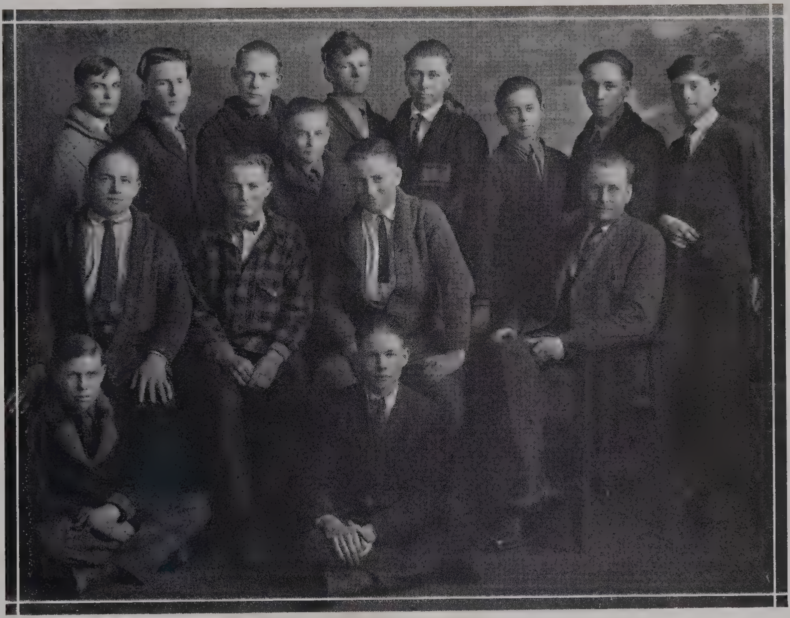
Each year the girls do work outside the class-room and laboratory to obtain money. The money thus obtained is used to buy equipment for the department, and to pay the car fare to Purdue for those girls who go. These trips to Purdue are not only vocational, but vacational as well.

This year the girls have made money serving for luncheons at the Country Club and Commercial Club. They have sold candy at basket ball games and at the tournament. The girls in the Sophomore class served meals to the teachers each noon.

Each year parties and other social affairs add interest in the course. There is an annual party with the Boys' Vocational Club. The one last year was a great success, and we hope the one this year will be even more enjoyable.

After Christmas the Household Physics class hiked to Hazel Hook's home to spend an enjoyable evening. Other similar events are scheduled during the season.

Each year the Club grows. Each year the course becomes better and more interesting.



Boys' Vocational Club

Back Row, Reading Left to Right: Chalmer Carper, Robert Cool, Raymond Rakestraw, Charles Lash, Irvin Rhoads, Coral Carper, Milton Clark, Harry Provines.

Second Row: Harold Gramling, Glen Grosh, Virgil Korff, Floyd Zegenfus, Mr. Hornaday.

First Row: Donald Martin, Ralph Berry.

Boys Vocational Club

The sixth year of vocational agriculture has been completed. During this time the club has been popular and received its share of students and honors. This is a club which continues throughout the year obtaining practical as well as theoretical and scientific knowledge.

Agriculture is a four year course. The first year includes dairying, poultry and horticulture; the second year, animal husbandry and soils; the third year, field crops and botany, and the fourth year, physics and farm management. The club has performed many experiments and practical demonstrations during the year. The course is about the same as one would carry in a university.

The club members participated in several contests during the year. Virgil Korff won first prize in the Vocational Educational Essay Contest. In the Baltimore and Ohio Railroad potato contest, third and fourth places were secured in the advanced class by Otis Kline, Raymond Rakestraw, Wellington Young and Harold Gramling, respectively.

An orchard has been managed, as a club project. Each member of the club is enrolled in individual home project work, the profits from which amounted to a large sum of money last year. The club is testing seed corn for the farmers. A charge of one cent an ear is made. The farmers have shown their faith in the boys by bringing in over five thousand ears of corn to be tested.

Much interest is put into the Purdue "roundup" which will be held the first week of May. Auburn has always sent a few of its members. The class is planning on exhibiting eggs, and sending a judging team down to judge eggs.

Thrift

In our school of young Americans has been planted the seed of thrift—and we, of all future citizens of America, need it most. The seed has been sown on fertile ground. This is the third year in which it has been growing in our school. The seed has had all the nourishment that it could ask. There are new posters every few days that our eyes cannot miss seeing. These are supplied by the organization at Chicago. These posters are not only in harmony with our material and thrift, but also, with the varying seasons of the year.

Thrift Incorporated of Chicago outlines our Thrift program. This is an organization for the teaching and promoting of thrift. The representative of this organization visits us twice a year.

Each Tuesday the class officers and class cashiers check up on absentees and those failing to bank. It is the students themselves who make our program of Thrift a success. The teachers stress the importance of regularity in banking. Thus a habit is formed. Habit and the realization that thrift is essential to success in life have been the predominant forces behind all our work for the success of school banking.

Each class works for the one-hundred per cent mark in its banking. At the close of each semester, the class having the highest percentage of depositors is entertained by the other three classes. At the close of the first semester this year the Seniors stood one-hundred per cent, while the Freshmen were second with ninety-eight per cent, the Juniors third with ninety-seven per cent, and the Sophomores last with ninety-four per cent. The Seniors were given a very interesting and entertaining one-hour program. It consisted of a one act play, music by the Commercial Club Orchestra, several readings and some singing by the "Scrap Iron" Quartette.

The school does not stress the amount deposited as much as the regularity in depositing. The important factor lies in establishing a habit of looking far into the future. Consistent saving is then a trait of good business and of character. Character may be read from pass books.

Much honor for our success in thrift belongs to our City National Bank. The bank, by encouraging the pupils to form the banking habit, has taken upon itself a tremendous amount of work for which it receives no immediate results. We hope that its future business will be recompense for the present added work.

Thrift is a phase of good citizenship. It is essential to acquire the habit of saving as a necessary part of the equipment for tackling life.

Our teachers have loyally and willingly undertaken considerable extra work to make possible this valuable addition to our course of study.

Interscholastic Contestants

"Cigarette's Ride and Death," read by Kennis Aldrich, won first place in the High School tryouts and again in the County Regional at Garrett. She took second place in the County Contest held in Auburn.

Julian	Albert Welch
Mrs. Castlebury	Mildred Wineland
Mr. Castlebury	Maurice Close
Adam Tweedle	Gilbert Landy

IN THREE ACTS

Scene:— The entire play takes place in the Antiquity Shop belonging to Mrs. Albergone. It is located in a little village in Maine.

SYNOPSIS

Julian, the son of the blue-blooded Castleburys, falls in love with Winsora Tweedle, daughter of the oldest family in a village in Maine. The Tweedles esteem the name because it has been noted in the rural community for 200 years, and they look down upon "summer people" with the vigor that only "summer boarder" communities know. The Castleburys are aghast at the possibility of a match, and call on the Tweedles to argue how unthinkable such an alliance would be. Tweedle generously agrees to cooperate with the Castleburys to prevent the match. Winsora brings her father to realize that in reality the Castleburys look upon them as inferior. Julian unearths a number of family skeletons from the Tweedle closet and argues that father isn't a Tweedle, since the blood had been so diluted on the way down from the Revolutionary War that little of it remains. Also, Winsora takes the matter into her own hands and outfaces the old man. So the youngsters go forth triumphant.

"Sylvia"

ACT I. Sylvia, tired of her betrothed, wanders into the hayfield where she overhears Betty bemoaning her fate and wishing she were engaged to marry a nobleman instead of honest William. Sylvia suggests that, as they each envy the other her lot, they exchange places for the rest of the day, that Sylvia masquerade as the farmer's daughter and Betty as the maid of honor to the Queen. Betty tells of a flower called "Cupid's Eye," which would blind the poet and the farmer to the fact that such an exchange has been made, and the two girls set off to find the magic flower and change costumes.

In the meantime, Betty's companions, who had left her in the hayfield, return to find her. They meet the farm lads on their way to the plough field and half promise to meet them at the stile on their way home from work. A cloud appears in the sky which throws them into great consternation as they fear rain, and when Prince Tobbytum appears, they besiege him to know what the weather will be.

Sylvia and Betty return, dressed in each other's clothes, and with the magic flower in their possession. Betty successfully fools DeLacey, and Sylvia as successfully fools William. DeLacey and Betty set forth to stroll through the woods and lanes, and William drags Sylvia off to help him weed the potato patch. Robin sounds the dinner horn, and the haymakers return to the hayfield to spend the noonday hour.

ACT II. Toward the close of the afternoon, the haymakers rest from their toil and stroll to and fro in the cool of the day. The farmers' daughters set forth on their walk to the stile.

Sylvia, worn out with her experiences of the afternoon, returns to the field, and Betty rushes in, having run away from DeLacey and a Bull. Each girl declares that hereafter she will be content with her own lot and will not envy the other. They retire to change dresses and to set off in search of the poet and the farmer. Unfortunately, their prank is likely to have serious consequences, for the Lady Arabella saw Sylvia carried over the brook by the farmer, and the Lady Araminta saw DeLacey and Betty walking arm in arm, and this news is imparted to Prince Tobbytum, who resolves to expose the Lady Sylvia that night before the assembled court.

Seeing DeLacey and Sylvia in the distance, the Ladies Arabella and Araminta, thinking it possible they may have been mistaken, ask the prince not to mention what they have told him. Prince Tobbytum tries to make mischief but is foiled. A song of greeting to the harvest moon, rising over the tree tops, ends the evening, and all wend their way homeward.

"Do you like going to school, sonny?" the stranger inquired.

"Oh, yes, sir, "was the reply. "I like going well enough, and I like coming back, too. What I hate is staying cooped up there between times."

He: "You used to call me 'darling' and now you don't call me anything."

She: "That's self-control."

The teacher in an Eastside school sent one of the boys home with a note to his mother asking her to see that the boy came to school clean instead of so dirty. She received the following: "Miss Smith, I sent Johnny to school to be learn't and not to be smelt; he ain't no rose."

Or go to a reputable mechanic and get him to go over this new Eight "with a fine tooth comb."

Ask him to study every little detail and report to you.

Then compare this car with any other car on the market, compare it for structural strength, fine engineering, quality of materials, careful workmanship, power, speed anything and everything.

When you get through, if the car has not sold itself, we won't ask you to buy.

THE FRESHMEN

I wonder what the "Fresh" would do
Without the Senior's light;
To guide him and protect him
And watch o'er him at night.

But lives of Freshies oft remind us
We were that way in our time;
And departing left behind us,
Initials on the desks of time.

Initials that perhaps another
Glancing at them with great pain
Thinks that maybe he'll do better
And digs away with might and main.

Whn he's finished with the task,
He steps back for a better view
And on inspection finds he's nearly
Cut the poor old desk in two.

In the morning, Mr. Fribley
Finds the desk is almost gone,
He scolds the Freshie and then tells him
Carving initals is a wrong.

Then the Freshies all do mourn,
And this is what they say:
"I'll start in getting better
Every day in every way."

If every day in the year could carry with it the spirit of Christmas what a fine old world this would be. And the pity of it is that we seem to find it impossible to carry a portion, at least of that sentiment along with us right into and through the coming year.

SCHAAB & BROTHER COMPANY

ATMOSPHERE

The one thing about the Schaab store that is distinctive is its Atmosphere.

When you debate with yourself as to where you should go to buy, several points have weight.

There are Prices. There is the Location of the Store. There is the Quality and Dependability of the goods. And there is the Atmosphere of the place.

And the greatest of these is Atmosphere.

Atmosphere is made up of many little influences. It is quite easily recognized, attracts or repels sharply, yet it is hard to define.

It involves the Courtesy of the salespeople.

Their Frankness and Promptness.

Their interest in you.

Their intelligence.

And the general Feeling you receive, the impression that you are being Fairly dealt with, that you are being told the exact Truth, that the Goods you buy are really Worth what you pay, and that you could not get better values by going elsewhere.

The salespeople are well paid, are interested in their work, are courteous and hence a delight to deal with.

The methods of management are direct and simple.

There are no Comparative prices.

Everything is Honestly Marked in the first place, and is neither scaled up or down.

Every customer is treated alike.

The atmosphere is one of clean wholesome Democracy, which is equal consideration for everyone.

You are made to know that expert buyers have purchased the goods of reliable manufacturers. That garments are carefully altered in our own work-rooms under our personal supervision.

In such a place you can do your shopping in entire peace of Mind.

There is no haggling, no snobbery, no solicitation, nothing to irritate or annoy.

The one business of our salesforce is to show you that which you want.

You go to SCHAABS' because you want what we have. You get it under conditions that are agreeable. You leave the place with your self-respect unimpaired, and with a pleasant memory of the clean, straightforward, honest and courtteous Atmosphere of the Place.

The Friendly Store

Friendliness is one of the ideals of our store. Our efforts to please you go back beyond the time in which your actual shopping is done. We are thinking of your needs and preferences when we buy the goods and put it on our shelves.

Then when you come into the store, we try to carry this friendly spirit into the actual selling of each item. We hope you will think of this as the Friendly Store and will feel that you are always welcome.
